

# TOWN HALL MEETINGS

All IPGA Members know the importance of winter preparedness. Every marketer knows they should assess what they learned from the previous winter and outline a plan to minimize risk.

Daniel Pannier, Manager of Propane Operations from GROWMARK, Inc will be discussing what marketers can do, providing details about the current supply outlook, and what steps the industry is taking to help marketers serve their customers for winter preparedness.

Meetings are scheduled from 6:00pm – 8:00pm. IPGA is hoping you will join us for one of these important Town Hall meetings:
